

CONFIDENTIALNPIC/TDS/D-819-67
27 April 1967

MEMORANDUM FOR: Chief, Support Staff, NPIC

ATTENTION : Chief, Training Branch, SS

SUBJECT : Request for Training Waiver for [] an
Employee with Less than one Year of Service

1. It is requested that [] be permitted to attend, under Agency sponsorship, the course entitled "Fundamentals of Optics" at the University of Rochester, 10-21 July, 1967.

2. When this course begins, [] will have been employed by NPIC for approximately 3 months. [] is a Mechanical Engineer who will be monitoring R&D projects which involve optical processes and components. This course will present methods of lens design, polarized light, radiometry, lasers, layout of optical systems, etc. Since this course is given only once a year (every summer), it is considered highly advantageous to NPIC, if [] could attend this course this summer so that he could apply this knowledge of optics immediately. With this knowledge of optical design, etc, it will be possible to utilize his talents on a wider variety of R&D projects.

3. In view of these facts, it is strongly recommended that [] be permitted to attend this course this July.

Colonel, USAF

Assistant for Technical Development, NPIC
